The Needs of a Mission Field

Our Most Basic Need

As the Lord opens doors here in Ireland we do not want to miss the opportunity to walk through these doors due to the lack of finances.

At this time our budget is weak and our needs are GREAT. Please help us by sending a special offering to our UPCI Account 812.

AIMers and Missionaries Needed!

The island of Ireland is the size of the U.S. State of Indiana with ONLY one UPCI Missionary Family residing here.

Could you give 3 months, 6 months or a year?

To be part of what God is doing in the country of Ireland contact Foreign Missions Division of UPCI: foreignmissions.com
