Varnums Visit

During this summer we were blessed with the ministry of Bro. and Sis. James Varnum from Belleview, FL. While in Ireland they taught in the home of a saint and also ministered in the Sunday service of the Dublin work. What a powerful team they are!

The Varnums said, "The saints in the Dublin work have such a great burden for their city". What a wonderful thing to be said about you.

LeJeunes Labor

Bro. and Sis. Clifton LeJeune along with eight other great saints from their church in Jennings, LA came and labored long days in the Gilford and Dublin works in Ireland.

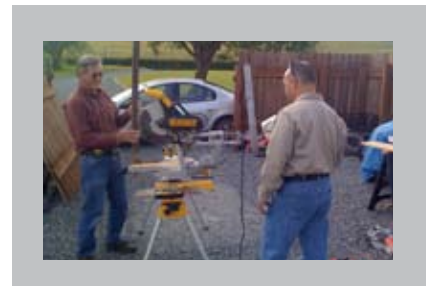

They were a great blessing in helping to finish the renovations of the McFarland's church apartment that had incurred some damage while they were gone.

Pastor LeJeune brought curriculum with handouts and taught the saints about Leadership and One on One Evangelism. The training was followed up with outdoor evangelism on O'Connell Street the following Sunday.

We are thankful for their enthusiasm! Pastor LeJeune ministered tremendously with his music team in the Sunday Service's of both the Gilford and Dublin churches.

What a great ministry!

(Sis. LeJeune is sporting the new summer lawnmowing fashion line in the above photo.)
